WORK EXPERIENCE

GMA New Media Inc.

SEP 2021 - PRESENT

Associate Web Developer

Key Contributions and Projects

- Maintained and enhanced the **SM Supermalls website** and CMS, implementing feature improvements and performance optimizations.
- Co-developed the **Battle of the Judges (BOTJ) Voting App**, building both frontend and backend using Node.js, Express, MySQL, and Knex.js to support real-time voting functionality.
- Co-developed the **GMA Regional TV Revamp 2023**, contributing to the homepage, inner pages, and reusable widgets.

Collaboration & Development

- Collaborated with cross-functional teams using Git and Bitbucket for version control and coordinated development workflows.
- Diagnosed and resolved issues reported by QA and clients, ensuring timely bug fixes and stable feature releases.

Optimization & Content Support

- Addressed **SEO-related issues** and assisted with content updates for the SM Supermalls and SM Cares websites.

Collabera/Avon Cosmetics

DEC 2020 - SEP 2021

Digital Platform Analyst | Webmaster

- Managed monthly content updates and created new pages for avon.ph.
- Improved web page designs and developed microsites for marketing campaigns.
- Tested and implemented new e-commerce features.
- Maintained the e-commerce site, ensuring up-to-date content and functionality.
- Troubleshooted broken links and content issues.
- Monitored site performance and generated user session reports.

Bestank Manufacturing Corp.
